

Message from Mrs Kinsley The school was packed with families this morning for our Grandparents' Day, and it was so lovely for our children to have the chance to complete an activity with their loved ones, and show Nanny and Grandad their classrooms! Thank you so much for supporting the event so enthusiastically—if any grandparents would like to support further in any volunteering capacity in school, we'd love to welcome you! Please do get in touch. We hope to put another similar event together very soon.

SAFE

Please be reminded that at the end of the day we can allow parents onto site through the blue side gate, but that we ask all families to leave via the yellow brick road, thanks.
